Dear Parents and Carers,

Re: 32.5 hour week from September 2024

I write with reference to my previous letter setting out details of a consultation period on the Government guidance that schools deliver a minimum of 32.5 hours of education per week from September 2024.

The original [Consultation Letter](#) can be found on the school website and further information about this can be found via the attached link:

[Length of the school week - non-statutory guidance \(publishing.service.gov.uk\)](https://publishing.service.gov.uk/guidance/external-consultation/default-conduct-of-consultation#length-of-the-school-week)

I would like to thank all parents, carers, staff and members of our school community who contributed to the consultation by indicating their preferences and providing feedback.

I am now able to inform you that **from September 2024, school will start at 8.45am** and finish at 3.15 pm for all children.

This change will ensure that we meet the Department of Education's new minimum expectation of a 32.5-hour school week. I appreciate your support to help us meet this requirement.

Yours sincerely,

Mrs C Young
