

Year 3 Ongoing Home Learning

Summer 2025

Please choose one from each section of the following tasks to complete over the course of the summer term.

Multiplication and division facts- we need to know these so please keep learning.

When a task is complete, we want to see it!

<p>Alice In Wonderland.</p> 	<p>Alice's Adventures in Wonderland (commonly Alice in Wonderland) is an 1865 English novel by Lewis Carroll.</p> <p>Create character profiles for the main characters in the story. Whom will you choose? Alice, the Hatter, Queen of Hearts, the Cheshire Cat, the White Rabbit.</p>
<p>Plants</p> 	<p>Consider a plant in your garden: What is the purpose of their stem and leaves?</p> <p>Create a labelled diagram explaining your answer.</p> <p>What type of plants do you have in your garden, planter, window box? Make a list of names and drawings of their characteristics.</p>
<p>The Tin Forest. H. Ward</p> 	<p>The Old Man lives in a very strange environment. What environment would you like to live in? Let your imagination go crazy, create this environment by drawing a map or an image and show us all!</p> <p>Draw your own Tin Forest bird. Remember to add many interesting features. Rivets, nuts and bolts.</p>
<p>MULTIPLICATION and DIVISION.</p> 	<p>review recall learn use remember say</p> <p>All the facts for multiplication and division within the 2x 3x 4x 5x 8x 10x tables- challenge yourself try 6x, 7x, 9x</p>
