

# The six part reading sequence

## 1. Vocabulary

- ▶ explicit teaching of vocabulary in the context of the text being studied

## 2. Shared Reading

- ▶ involves teacher modelling and independent annotation of the text with thoughts and ideas using prior knowledge as a reference point

## 3. Fluency

- ▶ explicit teaching of reading fluency using echo reading and text marking

## 4. Analyse

- ▶ developing understanding of an aspect of the text through rich discussion

## 5. Respond

- ▶ teaching reading skills for answering questions from a particular content domain

## 6. Apply

- ▶ using all of the above skills to answer questions from a range of content domains

All underpinned by using a range of high quality, diverse texts
