Dear Parents and carers,

The final weeks of the summer term are always incredibly busy in school. Here is an overview of some of the things that have happened this week.

## **YEAR 6**

During the week, all our Year 6 pupils spent time at their new secondary schools on various transition days. From what I have heard, they all had a positive, enjoyable and engaging few days and are now feeling a little bit more prepared as they begin the next stage in their education.

On Tuesday morning, Year 6 received their SATs results. They are an incredibly positive set of results for the school, broadly in line with our expectations. Our thanks to Miss Topliss and the Year 6 team for all their hard work and support for the children – and to all the teaching staff who have played a part in their education over the years. We are incredibly proud of them all. Their conduct throughout the assessments – and the whole year has been incredible, working calmly, with focus and determination. They are a wonderful cohort, and fine ambassadors for our school. Congratulations and well done to you all!

## **TRANSITION MORNING**

Yesterday, our children had the opportunity to spend the morning in their new classes, getting to know their new teachers and the staff they will be working with. I took the opportunity to wander round and take a look at what was going on. It was wonderful to see the children so fully engaged with a wide variety of activities that had been planned by their new teachers.

## **SPONSORED WALK**

This morning, we enjoyed our annual sponsored walk around the lake. Thank you to Mr Singh and Mrs Kaur for donating ice lollies for the children to enjoy afterwards. Please bring all monies raised to school on Monday in an envelope with your child's name and class on the front.

## **END OF YEAR REPORTS**

Today, you will be receiving your child's end of year school report. We hope you enjoy reading about your child's progress and achievement over the year. If you would like to discuss any aspect of the report, please see your child's class teacher to make an appointment.

## **SCHOOL X PAGES**

There has been some wonderful learning taking place around school. Remember to keep an eye on the school website and class X pages for more information.
